BED SANTA BARBARA, QUEEN

Our most celebrated canopy bed, the Santa Barbara is a classy and elegant oversized bed for high ceiling Master bedrooms. Made in a black matte metal frame with a circular crown connecting 4 graciously curved arms to the top of the posts, the exaggerated curve in its headboard is flawlessly covered in a white creamy textile that makes perfect contrast with the metal frame. This bed is for those who demand the best of the best and have the right Spanish Revival or Santa Barbara abode to display this master crafted beauty.
