

BUFFET ESTORIL, ANTIQUE WHITE

Architecturally inspired, the Estoril has a frame that presents architectural details on moldings that fill its large front door panels, as well as nicely appointed details on the base and top crown moldings. Hand-forged hardware and a multi-step hand-applied finish make this piece an ideal center of attention in a large room, or even placing 2 of them in your large library room framing the central fireplace.

SKU: BU-006-0915-ANT | **Categories:** [Buffets and Sideboards](#), [Dining](#) |
