CARMEN COLLECTION

The Carmen collection is inspired by the Carmen console with intricate hand carving details and a multi-layer finish that combines rich cream tones over dark natural wood highlights. It is paired with the Biscayne Dining Chairs upholstered in cognac leather and champagne tones on hair on hide for the inside and outside back. The Carmen Dining Table has an elegant, yet relaxed and simple open base that allows this set to work harmoniously and with an open feel, giving you airy spaces around the table.

Ideal for transitional and Hacienda or Farmhouse styles.
