# COCKTAIL TABLE CLAUDETTE

French inspired, feminine and yet robust, the Claudette Coffee table is quite unique in proportions and design. Turned feet that have exaggerated proportions play in harmony with the carved details of its side panels. A metallic, matte copper toned top provides a juxtaposition of a piece that from a distance could be a new find in your antique market buying spree.

**SKU:** LC-010-1406 | **Categories:** Cocktail Tables, Living |
