CONSOLE BARROCAN, CHARLES

The Barrocan Console in Charles finish is a work of art in itself, with a seven-layer finish process that brings authenticity to its Mediterranean roots, resulting in a harmonious combination a grey crackled texture and raised cream scrolls. Five vertical drawers provide ample storage space, framed by two side doors with an internal shelf for a very convenient access. A truly inspiring piece that can work in traditional European environments as well as eclectic, classic and elegant interiors.
