

DINING CHAIR XAVIER

Designed with true Spanish flair, the Xavier Armchair is perfect to pair with a long farm table. Its low back allows for open and uncluttered dining environments, made by hand by our talented craftsmen, the hard wood frame is covered with a sling seat made of vegetable tanned leather (friendly to our planet) and hand rubbed in a matte black finish. A metal buckle in the outside back completes this very comfortable and durable chair to dine in style.
