MISSION COLLECTION

The Mission Dining Collection is pure Spanish Colonial elements combined to make you feel like you own a piece of Santa Barbara legacy.

The wire brushed black rectangular dining table Babette features hand turned legs all the way to the top and a carved detail along its top edge and apron. We have paired this group with the Mission Buffet, a classic that has been produced by us from the creation of the first product line.

Spanish traditional Cordoba Dining Chairs covered in a white boucle, with high straight backs complement this set-in harmony offering a stark contrast between dark and light.
