

SECTIONAL BELVEDERE

The Belvedere Sectional is where hacienda meets contemporary. The low-profile frame is structured and finely tailored which perfectly juxtaposes the imperfect hand carved base. The base is intricately carved by skilled artisans and features a traditional fluid motif that expresses beautiful movement within the wood. The Belvedere, while shown here in a stunning 13 x13 configuration with Italian leather and Mist grey chenille, can be made in any size and in any number of materials including your COMS.
