SOFA MISSION

The Sofa Mission is an exact reproduction of a Century's old original piece we purchased during our travels through the Mediterranean. Inspired in Southern Spain aesthetics, this solid hard wood frame is made by hand by our skilled artisans using today's construction elements but keeping the attention to detail in all its craftsmanship. An exposed hard wood frame that includes hand turning and carving, finished in an exquisite multi-layer reach medium dark walnut stain. covered in performance Fabric for best durability and upkeep.
